Blaze of Glory 5K Race
All Proceeds Benefiting the Plumsteadville Volunteer Fire Company
Saturday, March 16, 2019
8:00am to 11:00am

IMPORTANT: To facilitate the race event that raises funds to support the volunteer fire company requires short term closure of four roads near the center of Plumsteadville.

RACE ROUTE

- Stump Road from Route 611 to Potters Lane (S)
- Meetinghouse Road from Stump Road to Curly Hill Road
- Curly Hill Road between Valley Park Road and Route 413
- Potters Lane between Curly Hill Road and Stump Road

The roads are closed to provide safety to the participants in advance of the race start and during the event as it proceeds along the route. Volunteer Fire Police will be stationed along the route to help facilitate the race and provide safety – your respect and cooperation with these volunteers is appreciated.

Once the participants pass affected side streets (listed below) and complete the route on each of the roads, the road is opened for traffic. The closure of the road is typically less than 30 minutes. In the event of an emergency access will be unimpeded.

SIDE STREETS AFFECTED ALONG RACE ROUTE

- Hancock Lane
- Kratz Carriage Road
- Craigs View
- Barn Owl Road
- Haverhill Lane
- Sanderling Drive
- Geddes Way
- Downs Run
- Ascot Crescent
- Miller Lane
- Belmont Manor Drive
- Anne Drive

Thank you for your patience and cooperation during this annual event held in March of each year.
