

Plumstead Township is preparing an application for a Stormwater Permit to be submitted in September of 2017 to the PA Department of Environmental Protection (PADEP) per the Federal Clean Water National Pollutant Discharge Elimination System (NPDES), PA Clean Streams Law and the PADEP-issued Municipal Separate Stormwater Sewer System (MS4) Permit for municipalities in watersheds with Pollution Reduction Plan (PRP) requirements.

Township residents will have an opportunity to review and provide written comment on the Pollution Reduction Plan (PRP). There will be a 30-day public comment period from August 1, 2017 thru August 30, 2017 in order to allow members of the public to read and submit written comments on the draft PRP. A copy of the PRP and MS4 Plan will be available on or before August 1, 2017 and can be reviewed at the Township Municipal Building during normal business hours. Written comments can be submitted to Plumstead Township, 5186 Stump Road, Plumsteadville, PA 18949. All comments on the plan must be received by close of business, August 30, 2017.

The draft plan will be discussed at the August 8, 2017 Board of Supervisors meeting at 7:30 PM during which public comments on the PRP are invited.
