

Plumsteadville Village Community Visioning

WHAT: Help participate in the design of Plumsteadville Village, we want your input as a community! The Township is currently preparing ordinance amendments and design guidelines for a new overlay area that encompasses portions of Easton Road, Stump Road, Kellers Church Road, and Meetinghouse Road.

Come view and rate visual aspects and preferences for community design images. Actively participate and provide input on design components that impact architectural style, built environments, and site design features.
