## Meeting Minutes for June 14, 2021

**NOTE: Meeting was held at Jennifer Schweitzer Park after Movie Night was postponed**

### Attendance

Lois Fedele, Justine Torres, Nicole Raphial, Duane Freed- Asst Foreman Parks, Plumstead Twp Public Works

### Committee Business

The purpose for meeting at Jennifer Schweitzer Park was to see the current conditions and determine what improvements could be made to make use of funds donated by the Schweitzer family.

The committee members were brought up to date by Duane of the ongoing maintenance and improvements currently scheduled for the park and we walked the nature trails that are mowed on a regular basis.

We discussed ways to improve the park. The suggestions were as follows:

1. Add a covered gathering place such as a gazebo structure with picnic tables
2. Updating the ground surface under the seesaw play equipment
3. Adding benches on each side of the baseball field to allow for spectators to sit
4. Add signage at the entrances to the nature trail to make them more visible to newcomers to the park.

Suggested that the township put out a questionnaire (Survey Monkey) to the neighborhood to see what improvements they would like to have.
