Committee Business

Review of online survey from residents of neighborhood Jennifer Schweitzer Park concerning suggestions for improvements. Questions included how often the park was used, what additions, improvements, activities/programs would they like to see, as well as questions about the projected usage of a covered gazebo/pavilion with picnic tables. There was some interest in a Garden Club and an 'Adopt a Park' program as well. The committee received good feedback and will consider the implementation of some of these suggestions in the future.
