Quorum to conduct Committee Business

- Introduction and welcome to new committee member, Justine Torres;
- Goodbye - officially retired from the P & R committee – we thank Mike Snyder for his many years of dedicated service. He will be missed (especially as 'Santa!)
- Nicole updated the committee on her attendance of last months Environmental Advisory Council (EAC) meeting. They were asking for ideas for future improvements at Jennifer Schweitzer Park in reference to a monetary donation that was bequeathed specifically for this park. The committee discussed ideas such as additional benches, plantings, covered pavilion, marked trails, etc. To be revisited later this year once reviewed by the township Board. Duane to check with the township manager for updates.
- Due to Covid-19 limitations, the committee discussed ways to carry on with future activities until restrictions ease. Last year's Easter Egg Hunt was cancelled, but we hope to host this event on Sunday, March 28th, 2021 in some format. If social distancing requirement are still in effect and conditions do not allow for a gathering, a 'drive-through' Easter Egg distribution will be considered. The Easter eggs that were stuffed last year were stored and are ready for use.
