

**PLUMSTEAD
TOWNSHIP POLICE AND
PARKS & RECREATION
INITE YOU TO**

COME & JOIN US FOR OUR

COMMUNITY DAY

**SATURDAY,
SEPTEMBER 28 AT HANUSEY PARK**

03:00PM - 06:00PM

FREE ENTRY

**Event will include Touch a Truck,
Community engagement with Law
Enforcement, movie night and much more!**

**We are looking for local
businesses to participate in our
event. Let's connect with our
neighbors and encourage
community engagement.**

Plumstead Township Police Department and Plumstead Township Parks & Recreation are hosting our first Community Day Event at Hanusey Park on September 28, 2024, from 3-6pm followed by Movie Night starting at 7pm. This event will feature Touch a Truck presented by Parks & Recreation, Law Enforcement demonstrations and engagement presented by Plumstead Police and local business presented by you, our community! Participating in community day can be a fantastic opportunity for your business to engage with the local community, build brand awareness, and give back. Here are some ideas for how you can get involved:

1. **Interactive Booths:**

- **Product Demos:** Set up a booth to showcase and demonstrate your products or services. No **SALES** of products permitted.
 - **Hands-On Activities:** Offer interactive experiences related to your business.
 - **Games and Contests:** Create fun and engaging games or contests with small prizes.
2. **Fitness and Wellness:** Gyms or wellness centers can highlight what you have to offer with short fitness demos or interactive activities.
 3. **Kids' Corner:** Create a kid-friendly area with activities such as face painting, balloon animals, or a bouncy castle.
 4. **Information Booth:** Set up an information booth where people can learn more about your business and community involvement.

Booth set-up, including tables and tents, will be the responsibility of the business.

By actively participating and offering valuable experiences, businesses can create a positive impact, foster goodwill, and strengthen their connection with the community.

Are you interested in participating? Please contact sferri@plumstead.gov or 215-766-8741.
