Reason For Request: _____

Upon submission of this request, the Board of Supervisors will vote on the connection request at their next available meeting which takes place on the 2nd Wednesday of each month.

If the Board grants approval, then you will need to follow the following steps:

1. Establish a Professional Services Agreement (form on website) & Professional Services Escrow (\$2,500)
2. Submit Connection Fee: \$1,500 per EDU (Northern is \$1,510.09 per EDU)
3. Purchase an EDU: \$100
4. Apply for a plumbing permit which includes the \$900 water meter fee (this includes a 5/8" water meter and a meter spread). (\$1,000 for a 1" meter)
5. Installation of the water meter spread, a backflow preventer and pressure reducing valve by your personnel/contractor to the specifications provided by Plumstead Township
6. Installation of a curb stop/shut off/gate valve where the connection to the water main is at the street
7. Installation of a curb stop/shut off valve in the yard/driveway outside of the building
8. Pressure test, disinfect and sample water line prior to being restored to service
9. Prepare and provide to Plumstead Township an as-built/sketch plan of the connection at both the water main in the street and at the building
10. Establish customer account information for the purpose of quarterly billing for service
11. Establish emergency contact information for emergency/non-emergency notification
